

REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF PRESSURE CONTROL REDUCTION PACKAGES

– REF. 211216-PCR

Worley Europe Limited as EPmC Early Services Contractor for EACOP Project invites experienced and reputable Contractors to express their interest in providing Pressure Control Reduction Packages for Tanzania for the East African Crude Oil Pipeline (EACOP) Project.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies partaking in the development of Exploration Areas 1, 1A, 2 and Kingfisher Discovery Area in the Albertine Graben in Uganda or their affiliates will participate in the implementation of the EACOP Project (Potential Pipeline Participants).

The EACOP Project development involves the engineering, construction, operation and maintenance of a crude oil export pipeline crossing Uganda and Tanzania and an onshore Marine Terminal in Chongoleani, near Tanga Port in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS

The EACOP requirements for the Pressure Control Reduction Packages shall include, but will not necessarily be limited to the supply of:

- Each package shall consist of 4 x 33% pressure reduction lines.
- Each line shall have a 12" inlet and 12" outlet with a 12" isolation valve at each end.
- Package inlet and outlet line size is 20".
- Each line shall have an 8" pressure reduction valve fitted between the isolation valves and associated reducing pipework.
- All associated pipework required to the edge of the package.
- All associated cabling and wiring to the edge of the package.
- All associated valves required to the edge of the package.
- Insulation is required to maintain process temperature.
- Factory complete unit testing, performance test and mechanical run tests.

Station	No. Off	Working Pressure In/Out (TBC)	Capacity m ³ /hr
PRS1	1	23-50/2-5 (barg)	1676
P2S2	1	23-50/2-5 (barg)	1676
MST	1	23-50/2-5 (barg)	1676

The scope will include design, sourcing of material, manufacturing, assembly, packaging, supply of drawings and data, all sub-vendors co-ordination, factory testing, delivery FCA vendor and guarantees.

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- A commitment to and evidence that they have experience in developing local/national content value.
- Confirmation that they can manufacture Pressure Control Reduction Packages in accordance with ISO/API standards.
- An experience list for similar equipment supplied to the Upstream Oil and Gas market in the last five (5) years.
- A copy of their own and main suppliers ISO 9001:2015 and 14001:2015 & OHSAS 18001 (ISO45001:2015) current certification.
- Extracts from their Supply Quality Management Procedures, showing how material quality control is implemented in the supply chain and identify what positive material identification is implemented through the manufacturing process.
- A two (2) years look ahead shop loading charts for the facilities intended to manufacture, assemble and test.
- Plant and site installation work safety record.
- Delivery to schedule record over the previous 2 years.
- In country maintenance and support capabilities.

Interested companies which meet the minimum requirements and have the capacity to provide the goods listed above should express their interest by sending together with the above listed documents an email to EACOP-supplierinfo@worley.com (**Max. Email Size: 20 MBs & All documents must be submitted in the English language**) on or before **12 noon London Time, on 7th January 2022.**

Companies satisfactorily meeting the above minimum requirements will receive, subject to the signature of a Non-Disclosure Agreement (NDA), a detailed pre-qualification questionnaire for further evaluation by Company.

EACOP project reserves the right not to consider companies that submit an incomplete dossier.

Note: Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process. Please note the new EOI advertisements will be issued every Tuesday and Thursday respectively for the EACOP Project.
