

## REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF THE TANK INTERNAL FLOATING OIL SKIMMER PACKAGE

– REF. 211214-OS

Worley Europe Limited as EPcM Early Services Contractor for EACOP Project invites experienced and reputable Contractors to express their interest in providing the Tank Internal Floating Oil Skimmer Package for Tanzania for the East African Crude Oil Pipeline (EACOP) Project.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies partaking in the development of Exploration Areas 1, 1A, 2 and Kingfisher Discovery Area in the Albertine Graben in Uganda or their affiliates will participate in the implementation of the EACOP Project (Potential Pipeline Participants).

The EACOP Project development involves the engineering, construction, operation and maintenance of a crude oil export pipeline crossing Uganda and Tanzania and an onshore Marine Terminal in Chongoleani, near Tanga Port in Tanzania.

### BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS

The EACOP requirements for the Floating Oil Skimmer Package shall include, but will not necessarily be limited to the supply of:

- 2 off floating oil skimmer packages.
- Each skimmer shall be suitable for operating in an API 650 vertical tank 15m diameter x 11.5m tall.
- Metallic components of skimmers shall be manufactured from stainless steel.
- All Interconnecting piping to allow skimmer to be connected to the tank internal wall.
- Factory unit testing and performance test.
- Start-up and Commissioning spare parts.

The scope will include design, sourcing of material, manufacturing, assembly, packaging, supply of drawings and data, all sub-vendors co-ordination, factory inspection and testing, delivery FCA vendor and guarantees.

### MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- A commitment to and evidence that they have experience in developing local/national content value.
- Confirmation that they can manufacture Floating Oil Skimmer Packages in accordance with ISO/API/International standards.
- An experience list for similar equipment supplied to the Upstream Oil and Gas market in the last five (5) years.
- A copy of their own and main suppliers ISO 9001:2015 and 14001:2015 & OHSAS 18001 (ISO45001:2015) current certification.
- Extracts from their Supply Quality Management Procedures, showing how material quality control is implemented in the supply chain and identify what positive material identification is implemented through the manufacturing process.
- A two (2) years look ahead shop loading charts for the facilities intended to manufacture, assemble and test.

Interested companies which meet the minimum requirements and have the capacity to provide the goods listed above should express their interest by sending together with the above listed documents an email to [EACOP-supplierinfo@worley.com](mailto:EACOP-supplierinfo@worley.com) (Max. Email Size: 20 MBs & All documents must be submitted in the English language) on or before **12 noon London Time, on 14<sup>th</sup> January 2022**.

Companies satisfactorily meeting the above minimum requirements will receive, subject to the signature of a Non-Disclosure Agreement (NDA), a detailed pre-qualification questionnaire for further evaluation by Company.

**EACOP project reserves the right not to consider companies that submit an incomplete dossier.**

**Note:** Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process. Please note the new EOI advertisements will be issued every Tuesday and Thursday respectively for the EACOP Project.
