

REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF PIPELINE ENGINEERING, PROCUREMENT AND CONSTRUCTION MANAGEMENT (EPcm) SERVICES – REF. 10004512

TOTAL East Africa Midstream B.V. ('TEAM'), invites experienced and reputable contractors to express their interest in providing Pipeline Engineering, Procurement and construction management (EPcm) services for the East African Crude Oil Pipeline project (EACOP). The EACOP project comprises in Tanzania and Uganda, a buried insulated pipeline with an electrically heating tracing system, associated Above Ground Facilities, and a Marine Storage Terminal with export Facilities near Tanga.

BRIEF DESCRIPTION OF THE SCOPE OF THE SERVICES:

The EACOP requirements for the EPcm services shall include, but will not necessarily be limited to, an advanced safety culture and environmental awareness; provision of engineering, construction and management facilities to perform the services; provision of dedicated EPcm personnel with all requisite skills, supervision and management necessary for the performance of the services; procurement expertise for specified material and equipment, along with associated logistical movements for importation of goods into the host country(s); and, all host country authorities interfaces.

Respondents to this EOI announcement shall be aware that an affirmative response to it, implies it is fully understood by all that the successful contractor, that will eventually be awarded the EPcm services contract, pursuant to the Pre-qualification and tendering process, shall not be eligible to participate in any forthcoming bid for the provision of construction services for the EACOP Project.

MINIMUM REQUIREMENTS:

- Experienced pipeline, onshore facilities and marine terminal EPcm contractor
- Performance of similar such services in home country and in remote locations
- Experience in developing local content and commitment to National Content development
- Suitable resources availability – equipment, systems and qualified personnel
- Financial capability to undertake the proposed contract
- Suitable HSE and Quality policy.

Interested companies that meet the minimum requirements and have the capability to provide the services listed above, should request a pre-qualification questionnaire by sending an email to:

EP.EACOP-PPT-PREQUALIFICATION@total.com on or before **17:00 hours EAT, June 12, 2017.**

The issue of Pre-qualification Questionnaire to the interested companies will be subject to the signature of a Non-Disclosure Agreement (NDA), which shall be issued after the company receives affirmation of willingness to participate.

Note: Only Pre-qualified bidders will receive invitations to submit bids in furtherance of the Call for Tender process.
